

Seasonal flu vaccines are available for **FREE** to all Dairy, Poultry, and Swine Workers and Employees!

Symptoms:

- Red swollen eyes
- Fever (100°F or 37.8°C or higher)
- Chills, body aches, cough, runny nose
- Difficulty breathing, nausea, vomiting, or diarrhea

Marion County Courthouse
214 E Main St. Knoxville, IA

Tuesday October 20th 2026
10:00AM - 4:00PM

Who Should Get Vaccinated:

- Dairy farmworkers
- Swine farmworkers
- Poultry producers (commercial & backyard bird flock owners)

Other types of workers that may also be exposed:

- Other types of livestock workers
- Animal health responders
- Handling sick or dead wild animals
- Food processing workers handling raw milk.

GETTING VACCINATED AGAINST THE FLU IS IMPORTANT FOR SEVERAL REASONS:

- Best Defense Against Seasonal Flu
- Safe and Effective
- Annual Protection
- Reduces Severity
- Helps in Dual Infection Scenarios
- Protects Vulnerable Groups

Get your flu shot and keep up with other important vaccines, like measles. Measles spreads easily from person to person and is highly contagious. The virus can remain in the air for up to 2 hours after an infected person leaves the area.

Protect yourself, your family, and your coworkers by staying up to date on recommended vaccines, including the MMR vaccine.

Call Marion County Public Health to schedule your **FREE** on-farm/site flu vaccine appointment! Phone: 641-828-2238

Stay healthy. Stay protected. Keep the farm running.
