### 1. Marion County Zoning:

Amend Marion County Land Use Plan

- 645 190<sup>th</sup> Ave., Pella, IA (Parcel 22876-015-00) to M-1 Light Industrial

MARION COUNTY ZONING DEPARTMENT

 CELL: 641-218-0243

**PROJECT** - Change to the Marion County Land Use Map.

In reviewing the proposed request for Rezoning-2024-927, Parcel 2287601500 is currently zoned A-1; Agricultural. The request, prior to the rezoning, is to amend the Land Use Plan to show the area described as:

Light Industrial applications described as:

- Zoning: M-1 Light Industrial.
- Applies to new and existing commercial uses.
- Must be located on paved arterial or collector street.
- May serve as transition from agricultural to commercial uses to heavy industrial uses.
- When appropriate, developer shall obtain all necessary permits prior to County approval of said use.

Light Industrial Uses described as:

- Includes uses of a light industrial nature having limited environmental impacts.
- Office/warehouse and distribution centers
- Print shops and laboratories
- Assembly shops
- Contractor equipment and storage yards
- Major automotive repair garages
- Certain agribusiness uses
- Includes industrial uses of a light industrial nature having limited environmental impacts
- Does not include residential dwellings, other than night watchman's residence
- Trails should be encouraged where required for connectivity

The Compatibility Code for Light Industrial compared to Agricultural is rated as a 2: *“Proposed land use is reasonably compatible with adjacent land uses. Structures should be consistent with the surrounding buildings in character, massing, and scale. Traffic from higher intensity should be directed away from lower intensity uses. Dust and odors from surrounding uses may be in conflict with residential uses.”*

Mini-storage is not a high traffic generator like many other commercial/industrial uses and has been proven throughout the County in other areas to be compatible with housing developments.

**Recommendations** –

Review the information and maps and determine if the proposed update to the Marion County Land Use Map is beneficial to Marion County.

Amending the Land Use Plan for the rezoning is NOT a guarantee of the rezoning approval.
